

Welcome to Pantheon Legal Center for Vendor Agreements!

How to use this platform:

This legal center is a repository of latest Pantheon Vendor Agreements. A list of available templates are on the left side of this page. Choose which agreement is applicable to your engagement, and click through to complete this. For any questions, you can reach out to your stakeholder at Pantheon or email legal@pantheon.io.

The first step for all vendors is to sign a **Non-Disclosure Agreement (NDA)** prior to starting any engagement with the company.

Once this document has been signed, please proceed to the documents available below.

What are the documents available? *(To download the proper documents, please click on the corresponding links in the menu bar)*

- **Sign Non-Disclosure Agreement (NDA):** Signed by a vendor prior to any engagement with Pantheon.
- **Submit a Statement of Work Request (SOW):** Vendors who would like to bid or offer a service to Pantheon may fill up this form and click agree. Linked to this form is our GSA.
- **Sign additional required documents for data access:** Vendors with access to Pantheon's data as a business requirement must additionally enter the following (a) [Data Processing Agreement](#) and (b) [IT policies acknowledgment](#). For a copy of Pantheon's IT policies, you may contact legal@pantheon.io.
- **Change Orders:** If changes are needed to your existing SOW on Pantheon's standard template, submit these requests by Change Order.

Note: Should a Mutual Agreement be necessary, please contact your Pantheon POC to provide you the necessary document.
